How do I submit an online assignment?

You can submit online Assignments in Canvas using several submission types. Instructors can choose what kind of online submissions they want you to use. You may have the option to resubmit assignments if your instructor allows.

Note: Not all of your assignments may be submitted online. If you cannot see the Submit Assignment link, your instructor may want you to submit your assignment in a different way. View the description of the assignment for instructions, or contact your instructor for assistance.

You can submit assignments from Google Drive, Dropbox, or another third-party service via your desktop computer in one of two ways:

1. Download the file to your computer and submit as a File Upload
2. Share the file, copy the file URL, and submit as a Website URL

Mobile Submissions

You can also submit assignments using your Android or iOS device.

Note: Not all file types may be available for your assignment, depending on the assignment submission type set by your instructor.
